A wide-angle photograph of a modern residential complex. In the foreground, a large swimming pool features a central fountain with water jets shooting upwards. Behind the pool, there are several modern apartment buildings with curved facades and balconies. One building has a prominent curved corner with multiple levels of balconies. The sky is blue with some white clouds.

A photograph of a modern shopping center at dusk or night. The building's exterior is covered in a grid of colored glass panels that reflect the surrounding environment, creating a vibrant, multi-colored pattern. The lights from the interior of the stores are visible through the windows, adding to the warm glow. The sky is clear and blue.

A wide-angle photograph of a modern industrial factory floor. The floor is a light grey concrete with yellow safety lines. Numerous white and grey industrial machines are arranged in rows. Yellow overhead cranes with long tracks span the ceiling. In the background, there are tall white columns and a glass-enclosed area. Several workers in green protective suits are visible, some standing near machines and others walking through the aisle.
